

ABOUT US

SchoolPointe has been providing high quality and cost efficient products and solutions to the K-12 market since 2002. Through the years we have fine-tuned our products and processes not just to meet, but to exceed clients' needs and expectations. SchoolPointe is committed to providing a solution that displays your mission, brand and vision while utilizing the latest technology.

DESIGN & BRANDING

SchoolPointe understands that your website is much more than just a communication tool, it is an important piece of your school's marketing and branding. That is why SchoolPointe's design team is dedicated to providing beautiful responsive designs to solidify your web presence. We offer over 35 templates to choose from or you can have a completely custom site built to provide a unique look for your school. All designs offer the ability to customize each building site to reflect the specific colors and logos.
